

Watch Out For These

Door Slammers:

“You’re too young.”

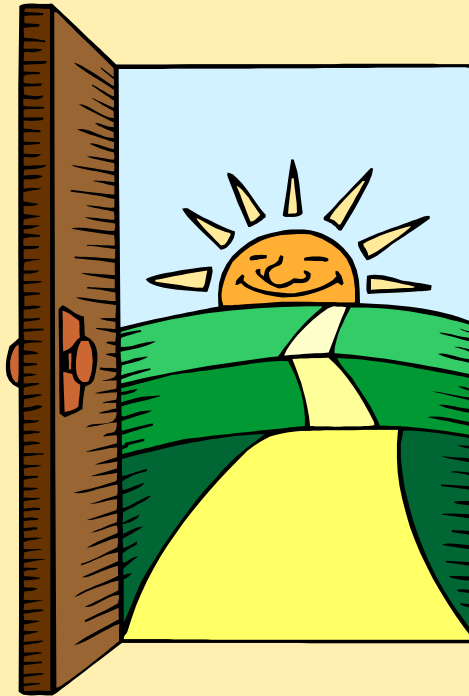

“Where did you hear *that*?”

“If you say that word again,
I’ll...”

“That’s none of your
business.”

“I don’t care what your friends are doing.”

“That’s just for boys (girls).”

Try These

Door Openers:

“What do you think?”

“That’s a good question.”

“I don’t know, let’s find the
answer together.”

“Do you know what that word
means?”

“I’m trying to understand what
you’re feeling.”
