Schedule a **FREE**  
appointment  
by using the QR Code

### What to Expect:

- You will work one-on-one with a Certified Child Passenger Safety Technician.
- The CPS Technician will complete a check-list.
- The CPS Technician will teach you how to install and use your car seat correctly.
- Appointments take approximately 45 minutes per car seat.

### Tips for a Successful Appointment:

- Pre-install the seat(s) to the best of your ability.
- Know your child's height & weight, if applicable.
- Bring both your car seat and vehicle owner's manuals.

Video Car Seat Check appointments available throughout the month. Register for an appointment [here](#) or visit [www.mdkiss.org](http://www.mdkiss.org)
